

### Sponsor invitation

EQALM is the European umbrella organisation for providers of external quality assurance (EQA) programs in laboratory medicine. The members include the national quality assurance organisations for laboratory medicine in the European countries as well as institutions and companies involved in EQA worldwide.

We kindly invite you to participate and sponsor this year's EQALM symposium. We offer you the opportunity to meet the leaders and directors of EQA organisations, quality assurance managers, physicians, biologists, scientists, and medical laboratory technologists involved in EQA.

This year the annual EQALM symposium will be held on

**13-15 October 2026 in Leuven, Belgium**, at the **Province House** (Provinciehuis Vlaams-Brabant; [Provinciehuis Vlaams-Brabant | Leuven Convention Bureau](#)), Provincieplein 1, 3010 Leuven. The venue is not a conference hotel but a selection of hotels is conveniently located nearby, and more details will be shared on the EQALM website.

The conference will include working group activities, plenary sessions, poster and oral presentations and an exhibition for the life sciences industry interested in quality assurance.

We expect approximately 120 participants, mainly from Europe.

We hope this is of interest to you and your company, and we kindly ask you to fill in the application on page 2 and return to us.

Please, do not hesitate to contact us for more information.

Best regards,

On behalf of the EQALM Executive Board,

Gro Gidske, EQALM President, [gro.gidske@noklus.no](mailto:gro.gidske@noklus.no).

## Sponsor Application.

There are 15 booths available at the symposium. In principle, they will be allocated in the order in which signed forms are received. However, EQALM reserves the right to make adjustments to ensure a balanced exhibition. Please return this form by 15 August 2026 to: [office@eqalm.org](mailto:office@eqalm.org). This deadline is set for planning purposes; applications received after this date may still be considered.

We are willing to sponsor the 2026 EQALM symposium.
